Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants respectfully petition to revive the above-captioned application in accordance with the provisions of 37 U.S.C. §1.137(b) as the abandonment was unintentional. This application became abandoned due to an unintentional failure to file a response to the Notice to File Corrected Application Papers dated March 8, 2004.

The entire delay in filing the accompanying required reply from the due date for the reply to the filing of this grantable petition was unintentional. Applicants' representative mistakenly believed that no response was due in this application, as a later-filed IDS was filed on top of the previously-received Notice to File Corrected Application Papers.

The Commissioner is hereby authorized to charge payment of any additional fees associated with this communication or credit any overpayment to Deposit Account No. 02-4377. Two copies of this page are enclosed.

Applicants respectfully request that this promptly filed petition to revive the above-captioned application in accordance with 37 U.S.C. §1.137 be granted and that the revived application be allowed to continue prosecution.

Respectfully submitted,
